

ONE WOMAN CAN KEEP A SECRET.

Mrs. Charles R. Scarborough Establishes a Precedent by Refraining from Telling of Her Marriage for Seven Years.

WILL FORBIDE HER TO WED?

Prominent Clubman and Paper Merchant Has Fled from City for Few Days to Escape Questions and Congratulations of His Friends.

To the doubter who thinks woman is not capable of keeping a secret reference can be made to Mrs. Charles R. Scarborough, who for seven years has given her friends the impression that her name was Mrs. Anna V. Gibbs. If additional proof be wanted two sisters of Mrs. Scarborough can be pointed to as examples. The belated announcement of the Gibbs-Scarborough wedding, which occurred June 15, 1895, has just appeared.

Mr. Scarborough, a prominent clubman and paper merchant, has stepped out of the city until his friends recover from the shock of the announcement. When he comes home he says these friends and not himself should sign the checks for the congratulatory rounds.

Notwithstanding the fact that the announcement has been publicly made there is still an air of mystery about the case and the principals and the very few who have guarded their secret well are reticent. Mrs. Scarborough is a partial invalid and will not see visitors at her home, No. 10 East Seventy-sixth street.

Many and varied reasons for the secret wedding have been given by acquaintances of both during the few hours since the announcement was made. The story most frequently told deals of a will in which it is stipulated that the beneficiary must not marry. Mr. Scarborough is in business with his brother at No. 27 Beekman street and has lived at No. 24 West Forty-second street. His partner and two other brothers have been intrusted with the secret.

HUMANE CHILD BREAKS THE LAW.

Little Bobby Crosby Sees a Tired Horse and Drives It 'way Just to Rest It.

Little Bobby Crosby has formed an independent Humane Society, but his pity for neglected and overworked horses has led him into the Children's Court. Bobby is eleven years old and lives at No. 12 Goerck street. When he saw the tired horse belonging to Hiram Walzer, a fruit peddler, he drove the animal away "just to give it a rest."

But however kindly the lad's intentions, his methods brought on a clash with the police. When Bobby faced Justice, Olmsted the tears streamed down his face, but he said they were for the poor old nag he had tried to comfort rather than for fear of punishment. His mother was there and said that the boy thought of little else and that his pockets were always full of pictures of horses.

LAUNCH FOUND; CREW LOST.

Two Men Seen Aboard Swamped "Helvie" Are Missing.

GUILFORD, Conn., Oct. 16.—Two unknown men, who had been occupants of a launch found abandoned to-day near Charles Reef buoy in Long Island Sound, are believed to have been drowned. The launch was at anchor and half full of water when picked up. It is a cabin boat thirty feet long and bears the name "Helvie."

SPITE FENCE FOR BELMONT.

Neighbor, to Overlook Whose Grounds Perry Cut Windows in His House, Objects to Odor of His Kitchen.

REMINDED HIM OF WINDOW.

High Iron Screen Is to Take the Place of Scene of Verdure Which Induced Him to Purchase Temporary Residence.

Perry Belmont will find that the view from the rear windows of his new home at Fifth avenue and Forty-seventh street is to consist chiefly of a broad expanse of iron screen. For this he will be indebted to Mrs. J. P. Gohn, owner of No. 1 West Forty-seventh street, who has announced her intention to build a "fence" eighteen feet high in such a way as to obstruct Mr. Belmont's vision.

When Mr. Belmont, who has a fondness for scenery, bought his new home he was particularly attracted by the outlook from the rear.

"Reminds me," he said, "of the view from Windsor, looking west. Ah! I have it! I will cut some windows in the eastern wall and from there I can overlook the broad sweep of my neighbors' acres."

Some of these windows were to be in the kitchen, and so Mrs. Gohn arose and voiced a vigorous protest. As a consequence, being a woman of action, she has fled with the Building Department plans for a fence which is to cost \$25.

It will be made of sheet-iron, nicely boxed and neatly painted. The plans would indicate that it is to be a work of art.

Mr. Belmont's mansion was purchased from the Matthews heirs, and the new owner had intended to occupy it until the completion of his more pretentious residence at Fifth avenue and Ninety-second street.

WILL INTEREST EVERYBODY, Or at Least Every One Who Suffers from Catarrh.

Catarrh in its various forms is a national disease, and the fact that nearly everybody suffers from it more or less leads many to neglect its proper treatment.

Nasal catarrh is a common cause of headaches, destroys sense of smell, and if neglected reaches the throat, causing impairment and sometimes total loss of voice. Bronchial catarrh leads easily to consumption. Catarrh of stomach and liver are very serious and obstinate troubles, while it is most common of all causes of deafness.

All of the more serious forms of catarrh begin with nasal catarrh, the local symptoms being a profuse discharge, stoppage of nostrils, irritation and frequent clearing of the throat, sneezing, coughing and gagging.

The old style of treatment with douches, inhalers, sprays, salves, &c., simply give temporary relief, and every one who has used any of them knows how useless they are, and their inconvenience is such that they soon have the time or patience to continue their use.

A radical cure of catarrh can only be obtained from a treatment which removes the catarrhal taint from the blood, because no one will now dispute that catarrh is a constitutional or blood disease, and local applications can have no effect except to temporarily relieve local symptoms.

A new remedy which has been remarkably successful in curing catarrh is a pleasant tasting tablet, which is taken internally and acts upon the blood and mucous membranes.

It is composed of antiseptic remedies like Red Gum, Blood Root and similar cleansing specifics, which eliminate the catarrhal poison from the system.

The tablets, being pleasant to the taste, are dissolved in the mouth, and thus reach the throat, trachea and finally the stomach and entire alimentary canal. They are sold by druggists everywhere under the name of Stuart's Catarrh Tablets.

If desired, when there is much stoppage of the nose the tablets may be dissolved in warm water and used as a douche in addition to internal use, but a douche is not at all necessary. A few dissolved in the mouth daily will be sufficient. Dr. A. J. Stuart says: "The regular daily use of Stuart's Catarrh Tablets taken internally will cure the whole catarrhal trouble without resorting to the inconvenience of a douche or an inhaler."

They seem to give a healthy tone to the whole mucous membrane, and it is really remarkable how soon they will clear the head and throat of the unnatural and poisonous catarrhal secretion.

Stuart's Catarrh Tablets are undoubtedly the safest, most palatable and certainly the most efficient and convenient remedy for any form of catarrh.

CONSUMPTION CURED.

Mr. Edward Schubarth and Mrs. H. C. Allington, Whom the Doctor Said Had Incurable Consumption, Were Permanently Cured by

Duffy's Pure Malt Whiskey.

STOPPED HEMORRAGES.

Gentlemen: It is with great pleasure that I write to inform you that I have used eight bottles of your Pure Malt Whiskey. I would not have been here to-day only for your wonderful medicine. I have used all kinds of cough syrups and been under the care of doctors. I have had three severe attacks of grip and pneumonia, which have left me with a bad cough and weak lungs and heart. I am 67 years old. It has toned up my system and stopped the hemorrhages. I cough but very little. I only regret that I did not know of your whiskey before. I cannot express what it has done for me. I beg to remain,

Yours respectfully, Mrs. H. C. Allington.

Nashua, N. H., Sept. 11, 1902.

QUICKLY CURED.

Dear Sirs: I picked up one of your circulars on a table about a month ago and read it through. After reading I went out and bought a bottle of your whiskey, which helped me right away. I am now on my fourth bottle, using it for so-called incurable consumption, and I feel like a new man. I think that if I had known of your whiskey when I was at home in Chicago I would have never come out here for my health.

ED. SCHUBARTH.

108 Market st., Denver, March 15, 1902.

There are thousands of cases just like that of Mr. Schubarth and Mrs. Allington, where the patients thought they had incurable consumption until their doctors prescribed Duffy's Pure Malt Whiskey. Duffy's Pure Malt Whiskey is absolutely pure and possesses more curative power than all other medicines. It contains no fusel oil, so common in other whiskeys, and which is a dangerous ingredient in whiskey, especially for the diseased system, when the poison takes effect.

Duffy's Pure Malt Whiskey not only drives out consumption germs and heals the lungs, but it builds up new tissue and restores the entire system. It aids digestion, stimulates and enriches the blood, tones up the heart, invigorates and builds up the body that will throw off all disease. At the Medical Convention in Albany one of the leading doctors said he would rather have Duffy's Pure Malt Whiskey to cure consumption, catarrh, asthma and diseases of the throat and lungs than all the quick medicines in the world, and the doctors present agreed with him unanimously. Duffy's Pure Malt Whiskey is good for old and young. It has carried the blessing of health to hundreds of thousands of poor sufferers because there was more profit in the substitute. We caution our patients to be careful and see that "Duffy's Pure Malt Whiskey" is on the label, and that it is our own patent bottle, with the name blown in the bottle. This is the only way Duffy's Pure Malt Whiskey is sold. If offered in bulk or in flasks, it is a fraud.

The genuine at all druggists or grocers or direct, \$1.00 a bottle. It is the only whiskey, especially for the diseased system, as a medicine. This is a guarantee.

A valuable medical booklet containing symptoms and treatment of each disease and many testimonials will be sent free to any reader of The Evening World who will write Duffy Malt Whiskey Co., Rochester, N. Y.

West 14th St. 1807.
